

OPUS
BAMBOOZLE

Colour Shown: BLUE TONE (4 colours available)
Product Code: N9012090001 (2090/01)

Bamboozle, so named because it looks like it has been confidently painted with traditional Chinese ink and brush, and because the giant disjointed stripes of bold color are reminiscent of bamboo. Cameo shades of one colour, make it very easy to work with in a scheme.

DESIGN CONTENT

65% Rayon - 35% Ramie
