

## FANTASY ISLAND FUNNY FISH

Colour Shown: AUTUMN LEAVES (3 colours available)  
Product Code: N9012110001 (2110/01)

'Seafood Platter.. All Fishes Great and Small' ... 'Bouillabaisse'... All of these were contenders for the name of this bold and wonderfully witty fabric aquarium. Painting in watercolor, Richard Smith has captured the movement and markings of all manner of sea-life and arranged them all, including seahorse, shrimps and an octopus in a lively repeat across the full width of fabric. Three colorways on bleached linen give three very distinct moods.
