GREAT WALL

Colour Shown: MANDARIN (2 colours available)

Product Code: N9021020001 (WR1020/01)

A dramatic trellis wainscoting to the base is sketched in with a thick, loaded brush. The panels are a huge 3.4m high, to give our clients as much flexibility as possible and both colourways have a slightly paler and fresher colour palette to their fabric counterparts, CHINESE PANEL. If the panels are too tall just cut off the trellis and use it for an adjoining room, around a door frame or on wardrobe doors!
