MAHARAJA PANEL

Colour Shown: Poppy (3 colours available)

Product Code: N9021027001

The climbing vine depicted in "Maharaja Panel" was taken from a section of an Indian miniature painting of the 17th century, and repainted on a grand scale. It is framed top and bottom by a series of borders also taken from traditional Mughal motifs. There is a wide undecorated area at the top, easily reduced, to give flexibility to the finished height of the entire panel. The panel can be used for an entire room or combined with "Maharaja Tent" to give depth to a plain wall or to highlight an architectural feature. Available in three colourways, printed on non-woven matte paper, pre-trimmed, this is a paste-to-the-wall product. Please use a good quality ready mixed wallpaper paste.
