MAHARAJA TENT

Colour Shown: Poppy (3 colours available)

Product Code: N9021026001

The decorative niches featured in Maharaja Tent were inspired by a detail in a 17th century Indian miniature painting. Enlarged in scale from the original, the arched area is framed top and bottom by a series of borders also taken from traditional Mughal motifs. There is a wide undecorated area at the top, easily reduced, to give flexibility to the finished height of the entire panel. This panel can be used for an entire room to create the feeling of a tent interior or combined with "Maharaja Panel" to give depth to a plain wall or to highlight an architectural feature. Available in three colourways, printed on non-woven matte paper, pre-trimmed, this is a paste-to-the-wall product. Please use a good quality ready mixed wallpaper paste.
