### OBI

Colour Shown: MINERAL (1 colours available)

Product Code: N9012193001 (2193/01)

Small scale patterns are often used for obi, which are often a very conspicuous accessory in contemporary Japanese dress. We have reworked a traditional brick design, arranging the motifs into stripes of shifting colours. Printed on 100% linen the three colourways can be used for both curtailing and upholstery.
