

SECOND DYNASTY QUEEN BEE

Colour Shown: MACAROON (3 colours available)
Product Code: N9012173001 (2173/01)

This embroidered design on a natural linen-coloured ground is based on cell structures and is reminiscent of a honeycomb. The intense stitching gives an almost sculptural drape to this fabric when hanging in folds, and the retro look of the design gives a smart twist to the collection. With a great abrasion result, it is ideal for really sharp looking upholstery.
