

## WALLPAPERS TIGER IN THE GRASS

Colour Shown: RafØa (1 colours available)  
Product Code: N9021030001

Traditional Chinese ink paintings informed this striking panel made of three adjoining drops. Two tigers circle one another whilst a third, languishing on a rocky outcrop above, looks on. There is a wonderful rhythm to this design created by the animals and surrounding foliage. The grass at the base and soaring bamboo above are easily edited to allow for positioning of the panel on the wall. Available in one colourway, printed on grasscloth, pre-trimmed, this is a paste-to-the-wall product. Please use a good quality ready mixed wallpaper paste.

Washability : Brush accessory on a vacuum cleaner.
